👤 PROFILE

Open to a new opportunity for a new professional challenge where I can continue to upskill and stay up to date with the latest technologies.

I am an experienced and motivated developer with over 3 years of experience in developing and maintaining websites. I am skilled in WordPress, JavaScript, React, Node.js & PHP, with a solid understanding of SQL databases and headless CMS.

I have the ability to work effectively in both a team and individual settings, with a track record of meeting project deadlines and exceeding customer expectations.

🧠 SKILLS

HTML | CSS | Javascript |

Content Management Systems & creating custom themes (WordPress) | React and Node.js |

Gatsby / Nextjs | Headless CMS (Sanity) | API Integration | PHP |

Version Control (Git & Command Line)
